Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$300	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay..
Are there services covered before you meet your deductible ?	Yes. Some preventive care and primary care services are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	Yes. The deductible is \$25	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan ?	\$1,200 for PPO medical services and \$2,400 for non-PPO medical services in the Municipality of Anchorage. \$600 is the maximum for prescriptions.	The out-of-pocket limit is the most you could pay in a benefit year for covered services.
What is not included in the out-of-pocket limit ?	Copayments for certain services, deductibles , premiums , balance-billing charges, penalties, and health care services this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. Medical network providers in the Municipality of Anchorage are: Alaska Regional Hospital, Surgery Center of Anchorage, ACENT Ear Nose & Throat, Geneva Woods Birth Center, Chugach Physical	This plan uses provider networks . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.

	Therapy, Ascension Physical Therapy, Alaska Fracture & Orthopedic and Alaska Hand Rehabilitation. In the Mat-Su Borough: Mat Su Regional Medical Center. For all other areas, the Aetna PPO Network. For a list of participating providers, see www.aetna.com . For a list of participating pharmacy providers, see www.caremark.com .	
Do you need a referral to see a specialist ?	No	You can see the specialist you choose without permission from this plan.
